David J. Bradley, Clerk of Court

TO THE HONORABLE Judge LEE Rosenthal:
COMES NOW, Ronald Thomas Drakos, the interested
non-party in the above numbered Civil Action, to
provide the court with an update with additional
information as requested pertaining to the length of
delay before individualized formal bail hearings
after such hearings are requested.

The following cause numbers have either
applications for writ of Habeas Corpus seeking bail
reductions or motions to reduce bail pending and
have been pending for unreasonable amounts
of time:

- 1) #1650428, IN THE 262ND Dist. Court, Harris County TX.
- 2) #1580280, IN THE 338TH Dist. Court, Harris County TX.
- 3) 1668113, IN THE 176TH Dist. Court, Harris County, TX.
- 4) 1605453, IN THE 338TH Dist. Court, Harris County TX.
- 5) 1632015, IN THE 184TH Dist. Court, Harris County TX.
- 6) 1658196, IN THE 262ND Dist. Court Harris County TX.

This is but only a few of the pending requests before
the court in only a single 50man dorm here at
the Harris County Jail alone. Our requests are going
stagnant, ignored and unruled upon. No settings have
been scheduled by the court as the District
Judge Herb Ritchie was implied to the U.S. District

Court in Civil Action # H-19-2260.

Regardless of the implementation of protective measures, or attempts thereof rather, the cases of the corona virus continue to multiply daily here at the jail, And NOTHING of an effective measure is being done. Instead things deteriorate daily, even the kitchen has been crippled due to kitchen workers becoming ill. This is scary. Most of the pending requests for bond reductions are from inmates with underlying health issues that pose the greatest risk of death from covid 19. Pretrial detainees with underlying health conditions that are not released will be essentially sentenced to death, without being afforded due process and on charges that in some case carry as little as six months to two years in jail. My case being a prime example #1650428 where the evidence was tainted during chain of custody, lost or planted and I can't get a motion hearing, P.R. Bond or even a day in court for that matter.

Harris County 262
Case No. 1650428

Respectfully, Ronald Thomas Dixon
